

PhB ADVANCED STUDIES COURSE (ASC) SUMMARY FORM

Family Name: Given Name: Uni ID:
Phone: Mobile:

Semester: Year: Course Code:

ASC Title:

This title will appear on your transcript – please print clearly.

Name of Instructor:

Name of Co-marker:

Co-marker details to be supplied by instructor. Compulsory for all ASC projects, except in Biology and Chemistry where marking is undertaken by a panel.

Brief Project Summary:

This description should be similar to a Course Handbook entry. Please contact the PhB Sub Dean if you have any queries completing this section – attach an extra page if necessary.

ASC Goals or Student Outcomes:
(Including skill development)

Summary of Assessment:

Please give details of assessment for your ASC project:

Required Activities*	Weighting (%)	Due Date	Additional details (if necessary)
Oral Presentation	(20% maximum)		
Final Report			
Optional Activities	Weighting (%)	Due Date	
Assignments			
Lab work/Log book	(20% maximum)		

Notes:

- An ASC project is equivalent to one 6-unit course (approximately 150 hours of work).
- An oral presentation and final report are both mandatory assessment items for an ASC.
- Oral presentation and laboratory components must be weighted at no more than 20% of the final result.

Important dates:

- The ASC Progress Report is due in Week 7.
- Final reports and all remaining assessment items due no later than week 14/15 (see Wattle for dates)

Approval:

	Name	Signature	Date
PhB Student			
ASC Instructor			
Discipline Coordinator (see Wattle for details)			
PhB Sub Dean	A/Prof. Geoff Salem		

Once you have collected signatures from your Instructor and the relevant PhB Discipline Coordinator, please return this form by email to PhB.Science.Enquiries@anu.edu.au or in hardcopy at the Student Enquiries Counter at the College of Science Student Office (Level 1, Peter Baume Bldg #42).
